Matters Arising from The Minutes of Previous Meetings

Bus stops. Cllr A Dunning was not present. Cllr A Smith will email her for an update as to where we are with the scheme.

MUGA – Discussion deferred to next meeting.

Play Area – the annual inspection has been carried out and a few minor issues have been identified that need immediate action. The cost of the maintenance work would be £1706.02 It was agreed that the work should be done as soon as possible. Cllr S Farands proposed, 2nd Cllr R Waters, aif.

Vacancy for Clerk – the position is still being advertised.

Dogs off lead on Playing Field – A concerned resident has written to the council to notify about dogs still being let off lead on the playing fields. This seems to be one or two individuals who have a blatant disregard for the rules. Most people respect the ruling in place, and it is a great shame that one or two people spoil things for the rest. Further signage may be needed and an article will be sent for inclusion in The Messenger.
