Southwold VHC are organising help for people to get food who are in financial difficulties as a direct result of the Covid19 outbreak, this service extends to Wangford residents and the PC agreed to a £1,000 donation to this project.

There have been concerns raised about people weekending in Wangford despite Gov instructions to stay home in one residence (usually the primary one) and only make essential journeys. The PC are very disappointed by the response from the Police following their and others complaints on this issue the reply was (very surprisingly) that this behaviour is not breaching the regulations. County Councillor Goldson will contact the Police & Crime Commissioner Tim Passmore for answers There have now been more reports of this nature and people are concerned that these visitors may be putting villagers at risk.

- . Latitude has been cancelled for 2020.
